Dear Parents,

In compliance with the requirements of the Every Student Succeeds Act (ESSA), the Brinnon School District would like to inform you that you may request information about the professional qualifications of your student's teacher(s) or instructional paraprofessional(s).

A. The following information may be requested for teacher(s):

1. Whether the teacher has met Washington teacher certification requirements for the grade level and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under an emergency or other provisional status through which Washington qualifications or certification criteria have been waived.
3. The college major and any graduate certification or degree held by the teacher.
4. Whether the student is provided services by paraprofessionals, and if so, their qualifications.

B. The following information may be requested for instructional paraprofessional(s):

Paraprofessionals must work under the supervision of a certified teacher. In schools that operate a schoolwide program, all paraprofessionals must meet professional qualifications.

If you wish to request information concerning your child's teacher's and instructional paraprofessional's qualification, please the superintendent.

Sincerely,

Patricia Beathard
Superintendent
